On March 10th, the RTD will merge the Pasadena and Inglewood lines into the RTD system. New line numbers, new timetables, and in some instances, new line changes. The RTD has been operating these lines since last year, as a separate entity. This changeover will make available all the benefits of RTD including transfers, discounts, etc. Sometime in March a new system map, including Inglewood and Pasadena lines, will be available for the asking. Meantime, new timetables are available now, so send for yours.

In this world of jets, solar probes and mini skirts, it's hard to imagine anything as subdued as Arbor Day observances. Throughout the metropolitan Los Angeles area, there were no less than 75 celebrations, at as many locations. My boss would skin me alive if he knew or even suspected I forgot to mention this in my column. Please forgive me, but let me hasten to remind you that all future earth shaking events of the magnitude of Arbor Day will be carefully and authoritatively reported in time to make plans for attending, by bus.

The Los Angeles City Recreation and Parks Department will be taking applications March 14th for many interesting and rewarding summer jobs. These include men and women lifeguards, managers, clerks and locker room attendants for municipal swimming pools for the 1968 summer season. Can you imagine someone paying you for looking at bikinis? Not only can you use RTD for going to Los Angeles City Hall and Van Nuys City Hall for signing up, but you can probably use the bus to go to work. For information into this summer fun opportunity, call 749-7381.

Q. My cousin is at Camp Pendleton. How would he get to our home at 182nd and Crenshaw in Torrance? Mrs. W.V.H.

A. The closest he could come to your address is Artesta and Crenshaw. To do that, he would probably ride Greyhound to Los Angeles, walk west to Broadway and catch the 5 bus to Crenshaw, change to the 85 bus to Manchester and the 101 to Artesta.

Q. What bus do I take from Torrance Boulevard and Pacific Coast Highway to Disneyland, Marineland, Knott's Berry Farm? Mrs. H.A.B.

A. It's not bus, but buses and you can rule out Marineland. Ride the 51 to downtown Los Angeles, change to the 58 line out of the new terminal and go to either Knott's or Disneyland or both.

Q. How can I get to Lomita and Hawthorne in Torrance from El Segundo? Mrs. J.L.

A. Ride the 51 line to Redondo Beach and the 102 line to Lomita and Hawthorne.

Q. When will we be able to get Inglewood timetables? I understand RTD is taking over. Mrs. C.L.O.

A. By the time you read this, they will be printed and I'll send you one of each.

Send your questions to Transportation Editor, Artie Dee, care of this newspaper. All questions will be answered in the column, or by mail. A system map will be sent FREE to each person writing in. No stamps or stamped envelopes are necessary.

Mancini to Conduct Los Caballeros Band

Los Caballeros Youth Band of Carson, directed by Tom Ridley, will make a guest appearance again this year at the Southern California Youth Band Council's annual Shrine Auditorium Concert. Composer-conductor Henry Mancini will direct the combined youth bands in the performance of several of his well-known selections. Youth bands from throughout the Southern California area will participate. Los Caballeros have carried their Carson banner each year in parades throughout the Southland. Last fall, band members toured the Sacramento and San Francisco areas. They plan a similar trip this year. Tickets for the March 23 concert will be sold by band members. Cost is \$1 for adults and 50 cents for children. Los Caballeros rehearse every Wednesday evening at Carson High School. New members may audition.
